

# Notice of Completion of Environmental Project Report

## Scarborough Junction Grade Separation Project

### Transit Project Assessment Process

Metrolinx has completed an Environmental Project Report (EPR) in accordance with *Ontario Regulation 231/08* for the Scarborough Junction Grade Separation Project.

The population of the Greater Golden Horseshoe is increasing, and with it, traffic and transit congestion. Metrolinx is committed to improving the GO Rail Network to bring 15-minute, two-way electrified service to core parts of the rail network through the GO Expansion Program.

Metrolinx has identified various infrastructure requirements to achieve GO Expansion service level targets across the GO Rail Network.

To support GO Expansion and increased service along the Stouffville and Lakeshore East Rail Corridors, a new rail-rail grade separation is proposed at Scarborough Junction in the City of Toronto. Supporting modifications include (see Figure 1):

- New rail-rail grade separation through a tunnel traveling under the Lakeshore East (LSE) Rail Corridor to accommodate the new second track on the Stouffville Rail Corridor;
- Modification or relocation of the Scarborough GO Station building at the same location, if necessary;
- Expanded rail bridge at St. Clair Avenue East;
- Layover area for train storage (Midland Layover);
- Depressed rail under road grade separation at Danforth Road;
- Depressed rail corridor from St. Clair Avenue East Bridge to Corvette Park;
- Grade separated multi-use crossing to replace the existing at-grade crossing at Corvette Park.

#### 30-Day Public Review: December 22, 2020 to January 20, 2021

The environmental impact of the transit project was assessed and an Environmental Project Report (EPR) was prepared in accordance with the Transit Project Assessment Process (TPAP) as prescribed in *Ontario Regulation 231/08 - Transit Projects and Metrolinx Undertakings* (made under the *Environmental Assessment Act*). The EPR for the Scarborough Junction Grade Separation is now available for a 30-day public review period starting December 22, 2020, on the project website at <https://www.metrolinxengage.com/en/scarboroughjunction>.

Interested persons are encouraged to review the document(s) and provide comments by January 20, 2021 to:

#### Laura Romeo

Manager, Environmental Programs and Assessment  
Metrolinx | 10 Bay Street | Toronto | Ontario | M5J 2W3

There are circumstances where the Minister of the Environment, Conservation and Parks has the authority to require further consideration of the transit project or impose conditions on it. These include if the Minister is of the opinion that:

- The transit project may have a negative impact on a matter of provincial importance that relates to the natural environment or has cultural heritage value or interest; or
- The transit project may have a negative impact on a constitutionally protected Aboriginal or treaty right.

Before exercising the authority referred to above, the Minister is required to consider any written objections to the transit project that he or she may receive within 30 days of first publishing the Notice of Completion. If you have discussed your issues with the proponent(s) and you object to the project, you can provide a written submission to the Minister of the Environment, Conservation and Parks by no later than January 20, 2021 to the email provided below. All submissions must clearly indicate that an objection is being submitted and describe any negative impacts to matters of provincial importance (natural/cultural environment) or Aboriginal rights.

Comments and information regarding this project are being collected to assist in meeting the requirements of the *Environmental Assessment Act*. All personal information included in a submission – such as name, address, telephone number and property location – is collected, maintained and disclosed by the Ministry of the Environment, Conservation and Parks for the purpose of transparency and consultation. The information is collected under the authority of the *Environmental Assessment Act* or is collected and maintained for the purpose of creating a record that is available to the general public as described in s. 37 of the *Freedom of Information and Protection of Privacy Act*. Personal information you submit will become part of a public record that is available to the general public unless you request that your personal information remain confidential. For more information, please contact the Senior Privacy Officer for Metrolinx at 416-202-5941.

Metrolinx is working to provide residents and businesses in the Greater Golden Horseshoe with a transportation system that is modern, efficient and integrated. Find out more about Metrolinx's Regional Transportation Plan at [www.metrolinx.com](http://www.metrolinx.com).
